

Give a gift that helps protect the beauty of the South Downs

The **South Downs Society** brings together all who cherish the landscape of the South Downs Areas of Outstanding Natural Beauty and the future South Downs National Park. Our work to safeguard the South Downs is crucial and as our membership grows our ability to influence the policies and actions of regional and local authorities and land managers increases. Please give a gift that helps conserve the natural beauty of the South Downs for the enjoyment of all.

Membership provides:

- Four issues per year of our member magazine – *The Downsman*.
- Free access to all our organised walks and strolls (approximately 300 per annum).
- Invitations to enjoy a variety of meetings and special events.
- The opportunity to become actively involved in the **South Downs Society's** volunteer work ensuring the South Downs, and access to them, are conserved for future generations.
